**INSPECT YOUR ITEMS IN GOOD LIGHT & BRING THE BEST OF YOUR BEST!!**

### SIMPLY FOLLOW THESE EASY-TO-FOLLOW INSTRUCTIONS:

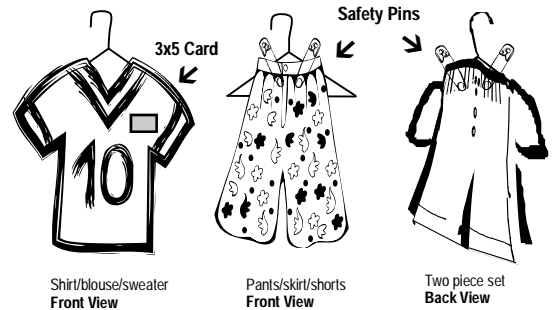

**(It's really easy but please read carefully!)** Email/call to obtain your consignor number. To consign, a minimum of **25** items must be accepted into the sale. (We will negotiate this minimum for "big ticket items" such as furniture or equipment.)

**OTHER REQUIREMENTS: Kids Clothes:** a maximum of **100** hanging girl items, and **100** hanging boy items including only **15** items in sizes 0 to 6 months, per sex.

**Adult Clothes:** No more than **25** hanging items total (men's & women's combined).

**We reserve the right to pass on any item!!!**

1. Hang and tag your own items, following the directions below.
2. Clothes must be on hangers with the hanger pointing to the left. Do not use the plastic "tube" hangers. Wire or thin plastic hangers are fine.
3. For two piece sets, use safety pins: first, hang the shirt like normal; second, pin the pants/skirt, one pin on each side of the middle snap or button, directly to the slants of the wire hanger, not through the shirt. (Go to billingsbest.net for photos.)
4. For pants/shorts/skirt, hang them with two safety pins, one on each side of the waistband through the slants of the hanger.
5. Attach shoes together w/string, twist ties, etc.
6. Pin a 3x5 index card (NO exceptions), using a medium-sized safety pin, to the upper right side of your garment. (Please, no tiny gold pins!)
7. Use a numbered size, not S, M, L. Use brand names in your descriptions. Identify items by color or design.
8. **GET YOUR BAR CODE LABELS!** After you have thoroughly inspected and tagged your things, keep a tally of how many items you have at each price, separated by discount/no discount and email/call for your bar code labels in advance.

### HANGING INSTRUCTIONS

Use safety pins for pants, skirts, shorts, etc. or for two piece sets. For sets, hang the shirt first and then pin the pants/skirt through its waistband onto the hanger behind the shirt.

**Pricing Hints:** Price to sell! **Use \$1.00 increments only. (No 25¢ or 50¢)** Price items about 1/4 to 1/3 of the original price, depending on brand and condition.
